

On Thursday September 14<sup>th</sup>  
the Living Arts Centre will introduce two  
internationally acclaimed shows coming this fall.

**Broken Images**  
October 1 at 4:30pm and 8pm

World Renowned Indian Actress, Shabana Azmi plays two sisters and their many images in one of the most challenging roles of her career. Her tour-de-force performance is not to be missed as she explores the images that bombard us from every aspect of our daily life - arguing, accusing and wheedling until the very essence of our private existence seems threatened. But suppose the deadliest of these images was one's own shattered self. Broken Images is a play in English co-presented by Anu Srivastava, ARRA Arts Inc. in partnership with Living Arts Centre.

**Mystic India: The World Tour**  
October 18 & 19 at 8pm

**Mystic India: The World Tour** is an internationally-acclaimed Bollywood dance spectacular based on the concept of ancient India's transition into modern India. The show features brilliant dancers and over 1,000 opulent costumes. The team of diverse, impeccably trained dancers combine authentic Indian and modern techniques bringing the music-filled streets of Mumbai and New York into perfect harmony.
